

26 Oct 2026.

Nikkei MC Aluminium Co, Ltd.

Announcement: Exhibition at “J-DEC 2026 Japan Die Casting Congress & Exposition”

Nikkei MC Aluminum Co., Ltd. will be exhibiting at J-DEC 2026 (Japan Die Casting Congress & Exposition), which will be held at Pacifico Yokohama.

At our booth, we will introduce high-performance aluminum alloys, including newly developed alloys, and casting technologies for a wide range of applications, particularly in the automotive industry. We will also display actual casting samples and provide proposals to support our customers' product development and help address various manufacturing challenges.

We warmly invite you to visit our booth during the exhibition.

We look forward to welcoming you at J-DEC 2026.
